Display list of enquiries.

Unopened enquiries styled differently.

If no enquiries - display text message.

If no enquiry marked in list: Display text explaining how enquiries work

If enquiry clicked in list, display the enquiry:

From buyer: include buttons to accept/decline, update with status afterwords ("You have accepted this enquiry. We have shared your contact details with the buyer so they may contact you.")

From artist->buyer:

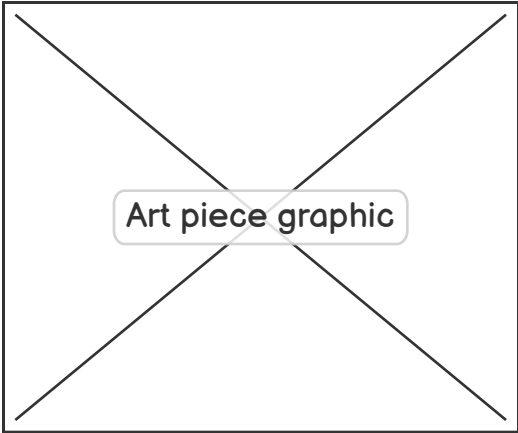

- If unresponded: You have sent an enquiry to X, but have not received a response yet.
- If responded: Artist X has accepted/declined your enquiry.
- If accepted: Artist X has accepted. You can reach them at <contact details>.
